

Azure/.Net Engineer

REMOTE - CONTRACT

PRESENTED TO YOU BY i-RECRUIT

Overview

Our client helps companies transform their data into revenue and growth. Operating at the cutting edge of technology, delivering advanced analytics solutions, including machine learning and AI technologies, to help companies understand and predict customer behaviour.

Our client is a dynamic technology company and a pioneer in the domain of analytics. You will be working at the cutting edge.

Success will always be rewarded, so you will have an opportunity to craft your career in a flexible and supportive environment.

Remote Working

The position will be remote for the foreseeable future.

Requirements

You will have hands on production experience with:

- .Net experience in an Azure cloud
- Azure functions
- Cloud Messaging systems (Service Bus/RabbitMQ)
- Object storage (Azure Blob storage)
- Azure Data Lakes
- Azure SQL

You will be comfortable working with:

- ELT, ETL skills through T-SQL, SSIS, Data Factory etc.
- Development tools: Visual Studio 2019, DevOps, GIT, Jira.
- Experience in managing DEV/TEST/QA development cycles using one of the cloud providers.

You will have excellent analytical, communication and interpersonal skills and solid documentation skills. This will be complemented with a high level of self-motivation and capable of working on own initiative.

You will be comfortable integrating into a project in a new company quickly You need to be eligible to work in Ireland, but can be based elsewhere in the EU

The Package

You wouldn't expect us to disclose the rate at this early stage, but we're very confident that we'll meet your expectations.

Contract length is typically 6 months but likely to be renewed for a longer period.

Next...

If we've piqued your interest, we'd be happy to answer any questions that you may have. If you are happy to be considered, we'll need a CV, and after that, there'll be an informal chat.

If both parties are happy, you will be introduced to the client to discuss the position in more detail.

And if it all goes well...welcome to your new job.

A bit about us

We have decades of experience of recruitment, business and commerce, and it shows. Trading since 2018, we're an independent and proud Irish company, working across Bulgaria, Ireland and the UK. We have developed some very smart techniques for finding key staff for our portfolio of clients. It can be hard and laborious work, but it's really effective.

But you know that already, or you wouldn't be sitting there, reading this.

We treat our candidates with a great deal of respect, and because of this, we develop strong relationships with our ever-increasing database of talent.

We never forget that we are dealing with people who are making life changing decisions. We'd be *delighted* to help you on to the next stage of your career.
