

Quantity Surveyor Major Projects

IRELAND

PRESENTED TO YOU BY i-RECRUIT

Introduction

We are delighted to be recruiting for this role of Quantity Surveyor (Major Projects) with one of Europe's fastest growing engineering companies.

You would be joining a dynamic, modern and innovative organisation, highly regarded water conservation providers. Working at the highest level of technical competency, at the cutting edge across a range of areas within Civil Engineering.

The location is flexible and you will be working on major projects nationwide.

You will work closely with the Commercial Director and project teams and will be responsible for managing the Quantity Surveying functions of the contract to maximise commercial success and profitability.

Requirements

- Experience in a Commercial Management/Quantity Surveying role.
- A third level qualification in a construction-related discipline, preferable Quantity Surveying.
- Experience in the utility/civil engineering sector.
- Excellent leadership and communication skills.
- Must hold a full clean drivers licence.

Responsibilities

- Establishing, monitoring and maintaining reporting arrangements, resources and client relationships.
- All Quantity Surveying duties including re-measurement, preparation of monthly progress applications and settlement of final accounts.
- Preparation of interim progress applications for payment and internal valuations.
- Procurement of subcontractor and specialist suppliers.
- Interim payments and settlement of subcontractors final account.
- Negotiate with client's representatives and other consultants.
- Advise on commercial risks within the project.
- Preparation of monthly contract cost reports and management accounts information.
- Preparation of Cost Preliminaries.
- Ensure that sub-contract documents are properly executed prior to project commencement.

The Package

You wouldn't expect us to disclose the salary range at this early stage, but we're very confident that we'll meet your expectations.

Our client understands the value of rewarding staff well and packages include benefits such as:

- Career Development opportunities.
- Further education.
- Opportunities to travel
- Company laptop.
- Company phone
- Flexible working environments

Next...

If we've piqued your interest, we'd be happy to schedule a call to discuss the role in more detail. If both parties are happy to proceed, we'll get you and the client talking for a series of interviews.

And if that goes well...welcome to your new job.

A bit about us

We have decades of experience of recruitment, business and commerce, and it shows. Trading since 2018, we're an independent and proud Irish company, working mainly across Bulgaria, Ireland and the UK. We have developed some very smart techniques for finding key staff for our portfolio of clients. It can be hard and laborious work, but it's really effective.

But you know that already, or you wouldn't be sitting there, reading this.

We treat our candidates with a great deal of respect, and because of this, we develop strong relationships with our ever-increasing database of talent.

We never forget that we are dealing with people who are making life changing decisions. We'd be *delighted* to help you on to the next stage of your career.
